Re: Annual Alaska Salmon Price Report

July 15, 2016

To Whom It May Concern:

The Annual Alaska Salmon Price Report for the calendar year 2015 is now available at www.tax.alaska.gov/programs/programs/other/fish/salmonreports.

We compile the report from Alaska Salmon Price Report and Alaska Salmon Price Adjustment Report forms completed by processors who are required to report by state statute. Some production areas and production types are not shown on the report because of confidentiality requirements; however, information for these areas is included in the statewide totals.

The reporting threshold for processors is 1 million pounds of salmon products sold at wholesale in the previous calendar year. Following are definitions used in producing the report:

- "Wholesale price" is the price paid by a nonaffiliated buyer to a processor or its affiliate, without deduction for costs of property sold, materials used, insurance, labor, services, labeling, transportation, storage, interest, losses, or any other expense.
- "Production area" is where the product that was sold to the nonaffiliated buyer was last processed into a reportable salmon product form within Alaska by the processor or its affiliate.
- "Product forms" are those listed in statute. These are the only product forms that are included in the Alaska Salmon Price Report database and are the only ones that processors are required to report. No quality distinctions are made within each product form category.

CONFIDENTIALITY POLICY

We do not report information for some areas if the information could identify the quantity or value produced by a particular processor. We use the following guidelines when evaluating confidentiality:

- If there are three or more processors for a given area, the information is reported unless one processor accounts for over 80% of total value or two processors account for over 95% of total value.
- If there are two or less processors for a given area, the information is not reported.

Please contact me at 907-465-4661 or email at michael.kazmac@alaska.gov if you have any questions or would like a hard copy of the report mailed to you.

Sincerely,

Michael Kazmac
