ALASKA QUALIFIED DEALER INFORMATION

To Alaska Qualified Dealers:

The list of qualified dealers that consented to publish their license information is now available on our website at <http://www.tax.alaska.gov/>. The Department of Revenue (DOR) requests that you please check the list frequently. Also, please be aware if you are:

Purchasing tax-off fuel from a qualified dealer and you opted not to have your qualified dealer license information published by DOR, you will need to provide a Waiver of Confidentiality for Tax and Other Information (Form 0405-322 enclosed) to your supplier in authorizing DOR to confirm your qualified dealer status to purchase fuel tax-off.

Selling tax-off fuel to a fuel purchaser who claims to be a qualified dealer but is not on the DOR qualified dealer list you will need to request a Waiver of Confidentiality for Tax and Other Information (Form 0405-322) from the purchaser. Forward the completed waiver to DOR for confirmation of qualified dealer status. If a sale is made tax-off to a fuel dealer that does not hold a current qualified dealer license, you will be liable for the tax and DOR will issue an assessment for the additional tax.

If you have questions concerning this, please contact the Tax Division at 907-269-6620.

Thank you,
